### Have a go at Log Sawing

We have a 5 foot long, two person saw and some fresh cut logs. Come and have a go and see what it was like being a real lumberjack - or Jill. (Checked shirts optional!). Find a partner and cut a pair of place-mats to take away with you. Have two shots and get a set !

You'll find out that each person only pulls the saw and the other pulls it back. Push and it jams. Try for yourself! Camera at the ready.....

Over 16s only - not just for the lads - open to the ladies too. It's easy!!

Organised by CWA.

### NailIt!

For the 16s and under

How strong and how accurate are you?

Come and drive a nail into a log.

Easy? Show us! Have a try and then watch the other nails. Furthest in wins. If you manage to drive it all the way in, we'll have a tie breaker with BIGGER nails. Presented for the first time in 2013.

Organised by CWA.

### John Muir Trust

John Muir Trust is the leading wild land conservation charity in the UK, working to protect wild land and places. We will be at the festival selling diaries, cards and calenders as well as providing information regarding our work in the UK and the opportunity to join us for a reduced rate.
